

Education & Training

ISCT – ACTRIS 2-Day GMP Laboratory Bootcamp: Hands-On Training in Cell Therapy Biomanufacturing

Professional Certificate in Principles & Practice of Cell Therapy with Emphasis on CAR-T (with National University of Singapore)

Registration closes
31 July 2026

 31 Aug 2026 - 01 Sep 2026 (2 days)

 Advanced Cell Therapy and Research Institute,
Singapore (ACTRIS)

Join the inaugural ISCT–ACTRIS 2-Day 2026 ISCT Singapore Regional Meeting pre-conference GMP laboratory training for an immersive, expert-guided hands-on laboratory training on CAR-T point-of-care manufacturing to enable patients’ access. Gain 1:1 coaching and practical lab training using automated, closed-system workflows from start to finish.
